FISHING HIGH SIERRA PACK TRIPS HUNTING

VACATION IN THE JOHN MUIR WILDERNESS AREA

Spend your vacation with a pack trip to the unsurpassed wilderness area surrounding Mammoth Lakes. It's a thrill to explore, mounted on your own saddle horse, the unlimited miles of trails winding through shady forests and mountain meadows. Here the trails will beckon you onward to such delights as: Purple Lake, Virginia Lake, Tulleys Hole, Lake of the Lone Indian, Jackson, Peter Pandy, Bettlebug, Ram Lakes and Lost Keys Lakes.

There are over 100 lakes and miles of streams within a day's ride from our pack outfit. Golden, Rainbow, Eastern Brook and Kamloop trout abound in the Cascade Valley and Fish Creek Basin. Virginia Lake produced the California record Golden trout — 9 lbs., 14 ounces. There is fishing to please the novice and challenge the expert.

For the hunter we can pack you into many secluded hunting areas. Throughout the area the Inyo Mule Deer and the California Mule Deer both abound. Many fine racks are taken during the deer season.

A wonderful experience for the children, who will long remember their first horseback and fishing pack trip into the High Sierra. A pack trip requires no special equipment, just the usual camping gear. Our saddle horses are well kept and safe for even the inexperienced rider. Let us plan a pack trip for you, it is an exciting adventure made safe by good trails and gentle stock.
